Wine Coolers - Features

6 JC-16C

- No compressor, no vibration, no CFC
- Cooling system: thermoelectric cooling
- Volume: 16L hold 6 bottles
- Rated voltage: AC110V/220V
- Input power: 70W
- Rated Frequency: 50Hz/60Hz
- Power consumption: 0.8kW.h/24h
- Noise: 15dB

- Environment temperature: 10°C - 32°C
- Refrigeration temperature: 8°C - 18°C
- Dimensions: 260x463x415mm
- Carton dimensions: 320x523x475mm
- Net weight: 10.4kg
- Gross weight: 11.5kg
- Digital control
- Silver case, silver door frame and built in handle

JC-48A 18

- No compressor, no vibration, no CFC
- Cooling system: thermoelectric cooling
- Volume: 48L hold 18 bottles
- Rated voltage: AC110V/220V
- Input power: 70W
- Rated Frequency: 50Hz/60Hz
- Power consumption: 1.0kW.h/24h
- Noise: 15dB

- Environment temperature: 10°C - 32°C
- Refrigeration temperature: 10°C - 18°C
- Dimensions: 355x645x500mm
- Carton dimensions: 415x670x560mm
- Net weight: 16kg
- Gross weight: 17.5kg
- Black case, silver door frame with silver handle

28 JC-65B2

- No compressor, no vibration, no CFC
- Cooling system: thermoelectric cooling
- Volume: hold 28 bottles of wine
- Rated voltage: AC110V/220V
- Input power: 80W
- Rated frequency: 50Hz/60Hz
- Power consumption: 1.2kW.h/24h (15°C)
- Noise: 15dB

- Environment temperature: 10°C - 32°C
- Refrigeration temperature: 12°C - 18°C
- Shape size: 460x735x540mm
- Packing size: 515x765x575mm
- Net weight: 22.8kg
- Gross weight: 25.1kg
- Black case, silver door frame and handle

JC-140A 48

- No compressor, no vibration, no CFC
- Cooling system: thermoelectric cooling
- Volume: hold 48 bottles of wine
- Rated voltage: AC110V/220V
- Input power: 180W
- Rated frequency: 50Hz / 60Hz
- Power consumption: 2.2kW.h/24h (15°C)
- Noise: 30dB

- Environment temperature: 10°C - 32°C
- Refrigeration temperature: 12°C - 18°C
- Shape size: 700x847x512mm
- Packing size: 755x900x570mm
- Net weight: 40.5kg
- Gross weight: 43.2kg
- Dual digital control
- Black case, silver door frame and handle
- Wood shelf, amber glass

72 JC-180A

- No compressor, no vibration, no CFC
- Cooling system: thermoelectric cooling
- Volume: hold 72 bottles of wine
- Environment temperature: 10°C - 32°C
- Refrigeration temperature: 12°C - 18°C
- Shape size: 570x1195x512mm
- Packing size: 620x1247x570mm
- Noise: 30dB

- Net weight: 43kg
- Gross weight: 45kg
- Digital control
- Black case, black door frame and handle
- Wood shelf, amber glass
